

Conclusions and Recommendations -- 6th High-Level Round Table

Cross-Regional Gathering, Stockholm 2016

November 2016

Conclusions and Recommendations

- * Renewed commitment to SDG Target 16.2: End all forms of violence against children
- * Strengthen national child protection systems with adequate and sustainable financing
- * Accelerate legislative reform to prohibit all forms of violence against children
- * Invest in evidence-based prevention programmes with proven effectiveness
- * Ensure universal access to child-sensitive reporting and response mechanisms
- * Harness technology as a tool for child protection while addressing digital risks
- * Strengthen partnerships between governments, civil society, and the private sector
- * Ensure no child is left behind in the implementation of the 2030 Agenda
