

Standard Contribution Agreement

SRSG on Violence Against Children Partnership Framework

2015

Purpose

This Standard Contribution Agreement establishes the terms for partnerships between the Office of the SRSG on Violence Against Children and contributing organisations.

Key Provisions

- * Contributions are voluntary and do not imply policy endorsement
- * All activities must be consistent with UN principles and the CRC
- * Financial reporting requirements apply to monetary contributions
- * Either party may terminate with 60 days written notice

Accountability

Contributing partners must submit narrative and financial reports on schedule. The SRSG office will provide regular updates on results achieved.
