

Conclusions and Recommendations -- Regional Meeting, Jamaica 2014

Cross-Regional Meeting on Violence Against Children

November 2014

Conclusions and Recommendations

- * Adopt and implement comprehensive national action plans against violence against children
- * Establish multi-sectoral coordination mechanisms at the highest political level
- * Provide adequate and sustainable funding for child protection systems
- * Strengthen data collection on violence against children across the region
- * Ensure child-sensitive reporting mechanisms are accessible in all communities
- * Recognise civil society organisations as essential partners in violence prevention
- * Strengthen regional cooperation and peer learning
- * Meaningfully involve children and young people in programme design and evaluation
